**The Arts + Sciences Creativity Camp** is a day camp that allows children to have fun while learning to be creative, and the value of the creative process. Arts and sciences experiences provide multiple opportunities for children to explore, demonstrate, and develop wholesome individual and collaborative abilities. Each week is exciting and challenging and based on expanding the creative process.

**Creativity Camp** utilizes the arts and sciences to develop multiple intelligences learning and incorporates brainstorming, thinking, planning, doing, imagining, testing, reflection and sharing. Both the creative and scientific processes help campers transform thoughts into reality. A wide range of materials and tools are utilized with campers for positive and personal growth and creative expression.

**Creativity Camp** is facilitated by professional teaching artists who help children explore the creative process incorporating drawing, painting, pottery, dance, theatre, creative writing and music with everyday science activities and experiments. Teaching artists place emphasis on family values and the young artists' interpersonal development within a community where difference is valued, expected, and respected.

**The Arts + Sciences Creativity Camp** promises to be a creative and rewarding experience that your child will want to attend week after week. **Common Space** is dedicated to the pursuit of lifelong creative learning for all ages.

### REGISTER EARLY

**A non-refundable \$25 deposit is required for each week reserved and is then applied to the weekly camp fee due in full each Monday morning at check in.** Campers must bring their own lunch. Beverages and arts and sciences supplies are provided. Certificates of Creativity are awarded weekly at the **4 PM Friday Showcase** for family and friends.
